FOR CONTINUATION PATENT APPLICATION**

---

We, ALAN G. WOOD and TIM J. CORBETT, declare: that our residence, post office address and citizenship are as stated below next to our names; that we verily believe we are the original, first, and joint inventors of the subject matter of the invention or discovery entitled "UNIVERSAL WAFER CARRIER FOR WAFER LEVEL DIE BURN-IN" for which a patent is sought and which is described and claimed in the specification attached hereto; that we have reviewed and understand the contents of the above-identified specification, including the claims; and that we acknowledge the duty to disclose information which is material to the examination of this application in accordance with Section 1.56(a) of Title 37 of the Code of Regulations.

We hereby claim the benefit under Section 120 of Title 35 of the United States Code of the earlier filed pending application, Serial No. 07/981,956 filed November 24, 1992, which is a continuation-in-part of application no. 575,470 filed August 29, 1990, abandoned; and, insofar as the subject matter of each of the claims of this application is not disclosed in the earlier filed pending applications in the manner provided by the first paragraph of Section 112 of Title 35 of the United States Code, we acknowledge the duty to disclose material information, as defined in Section

1.56(a) of Title 37 of the Code of Federal Regulations, which occurred between the filing date of the earlier filed applications and the filing date of this application.

We hereby claim the foreign priority benefits under Section 119 of Title 35 of the United States Code of the foreign applications for patent or inventor's certificate listed below, and we have also identified below any foreign application for patent or inventor's certificate having a filing date before that of the application on which priority is claimed:
